Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, the cited documents are made of record on the enclosed PTO Form-1449.

As the USPTO has waived the requirement under 37 CFR 1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and patent publication for applications filed after June 30, 2003, copies of the cited U.S. references are not enclosed, as the present application is filed after June 30, 2003.

A concise explanation of the relevance of these items is that these references were cited by the Hungarian Patent Office in the corresponding Hungarian Application Serial No. P0301911, filed June 24, 2003. A copy of the Hungarian search report in which they were cited is attached
